Responsible Conduct of Research (RCR) Log In Instructions

1. Begin by going to the CITI website: www.citiprogram.org and log into your existing CITI account. If you have forgotten your username or password, click the “Forget” link and follow the prompts to have your credentials reset or emailed to you.

2. From the “Main Menu” page, in the “My Learner Tools for Children’s Hospital of Philadelphia” click the “Add a Course or Update Learner Groups” link.
3. Select “Responsible Conduct of Research for Postdocs, Fellows, Trainees and NIH Early Career Investigators” as your curriculum. Then click the “Next” button.

4. Click the course title to enter the training.
5. Before beginning the modules, you must complete “The Integrity Assurance Statement”.

6. After agreeing to the Integrity Assurance Statement, the link for the first module within the course will be active.
7. After reading through the content within the module, links will be listed at the bottom of the page directing you to the next module or a quiz if one is required.

For questions or further assistance, please contact The Office of Academic Training and Outreach Programs by calling 267-426-2835 or by emailing researchtraining@email.chop.edu.
